

PHLEBOTOMY TRAINING

Externship

the bookstore. Please order early so you have them the first day of class. You can also order the books through Barnes and Noble Bookstore or Amazon.com. Estimated cost for books \$146.00

Costs:

The following are estimated costs of the required UAF fees for 5 credits, based on the FY 2023-2024 tuition (\$234/credit) and fee schedule at UAF. Costs may vary depending on the particular situation of the student.

HLTH 255: Principles and Methods of Phlebotomy and Phlebotomy Externship

Phlebotomy Course Checklist

Immunization Requirements

For each disease row there must be a date. The basic requirements for each va

Maintenance of Records

Students/Instructors must meet the current Health Standards at all times. It is the expectation that the requirements be met before the rotation starts. Upon request, School shall furnish or cause to be furnished proof of records. The school or student/instructor will be responsible for keeping immunizations and TB testing current at all times.
